## Life is Like a Box of Chocolates

But ... **You** get to choose the one you want when you use the 3 principles of **Gumption!**

### Mindset – Moxie – Graciousness

- ✦ **Self-Identity:** "Mama, what's my destiny?"
- ✦ **Integrity:** "A promise is a promise" – doing what you say
- ✦ **Opportunity:** When a feather lands at your feet – pick it up!
- ✦ **Self-Motivation:** "Mama said, you've got to put the past behind you."
- ✦ **Civility:** Seeing potential in yourself – seeing potential in others

This program is for those who are trying to figure out their destiny in life. Participants learn how to balance integrity and civility with their own self-identity. By encouraging action and challenging preconceived notions, each person will be able to imagine his or her own future. Individuals will develop self-confidence as they apply *Gumption* to achieve their goals. The life lessons from the movie, the stories, and the wit & wisdom of *Forrest Gump* serve as the backdrop for an interactive, entertaining and content-rich leadership program ... a program that starts with the movie and ends with your audience.

*Gumption* means: **mindset** – develop your thinking; **moxie** – getting things done; and **graciousness** – interacting with others. Learn how small changes in behavior can lead to big changes in results.

Steve, err, *Forrest*, is a professional committed to making your leadership program a success. Steve's own integrity and civility makes it easy for him to adapt to your unique environment. Steve promises to make your day memorable and inspire your audience to *Function with Gumption!*
